FOR IMMEDIATE RELEASE

FULL FREEWAY CLOSURE ON I-15 AT MAIN STREET IN HESPERIA

Hesperia – The California Department of Transportation (Caltrans) will continue work on the Interstate 15 Main Street Interchange and will require a full closure on Interstate 15 Monday evening, November 1, 2004 at 10:30 p.m. through Tuesday morning, November 2, 2004 at 5:30 a.m. (weather permitting).

Detour:

Mainline traffic will exit Main St. off-ramp to the Main St. on-ramp. Main St. will be closed to east and westbound traffic.

Westbound traffic entering north and southbound I-15 from Main St. will turn left on Mariposa Rd., right on Joshua St., then go right on Route 395 to Main St.

Eastbound Main St. entering northbound I-15 will use southbound I-15 to Joshua St, turn left and either enter northbound I-15 on-ramp or turn left on Mariposa Rd. to Main St.

The work is part of the ongoing project to improve the interchange at Main Street. The project is expected to be complete in summer 2005. Caltrans appreciates your patience during this closure and wants to remind everyone to pay attention, stay alert and always **SLOW FOR THE CONE ZONE.**
